Mr. Carl F. Biele, Vice President
Charles F. Biele & Sons Company
33 Bethune Street
New York City

My dear Mr. Biele:

Your letter of February 21st with inclosures has reached the Gallery during Mr. Washburn's absence. Will you please defer work on the case until Mr. Washburn can write you in detail regarding your understanding of the instructions and also about the color sample. He will return to the Gallery on Monday and will no doubt write you immediately.

Very truly yours
