Gentlemen:

Mr. De Hauck.

Referring to the matter of vitrines for your new gallery, we will be glad to take the matter up with you at your convenience, and would appreciate a few lines as to how the matter stands.

When you were here some time ago, you discussed the possibility of ordering your cases in France. In this connection we wish to call attention to the possibility of breakage, and we refer you to Arnold Ray Seligman & Co., who recently had some cases from abroad which arrived in pretty bad condition. The bill for repairs will more than off-set any difference in price to say nothing of the annoying ^{and} delay in obtaining special bent glass for these cases.

Yours truly,

Charles F. Biele & Sons Co.,

Carl F. Biele, Vice Pres.
